SangBleu

---

It is with great pride that we announce the release of the all-new SangBleu typeface. SangBleu has helped to lay the foundations of the Swiss Typefaces library, and was met with enthusiasm by designers from all over the world. The new SangBleu typeface is set to write the next chapter in this success story, once again raising the bar for comprehensive typographic solutions. Guided by our vision of future graphic and editorial design, we have developed SangBleu into an elaborate supercollection of unprecedented structure and versatility.

**No, the head of a stunning man, so bright, he shined like diamonds in the sun, it was the most handsomely haunting face she ever saw, she thought it was her god himself. It was so strange for her to see his face and then a strange land so beautiful it could not be of this world. Clearly convinced she was gifted with a glimpse of Paradise. She tells this story to all who will listen. She describes it with such detail, it is if she was there. She knew things about Versailles only the King himself knows. Her visions were revealed to be premonitions of things to come.**
